Re: Downtown Flower Basket Project

Dear JillMarie:

On behalf of the City of Canby, I want to extend our sincere appreciation for your work on the Downtown Flower Basket Project. Thank you for your coordination of volunteers and your tireless efforts in supporting this project.

The collaboration between the Canby Area Chamber of Commerce, Canby High School Agriculture Department, Canby Livability Coalition, City Economic Development Department, and City Public Works Department has made this annual event for downtown a success again this year. Citizens and visitors alike can enjoy flowers throughout the summer season.

Congratulations on a job well done!

Sincerely,

Melody Thompson
Mayor
